Biography

Justyn is widely regarded as one of the most respected dispute resolution lawyers in Singapore and in Asia and a leader in insurance and construction arbitration.

Justyn has worked extensively for clients in Singapore, Philippines, Thailand, Indonesia, Malaysia, Japan, South Korea, Australia, Canada and the United Kingdom.

Justyn is experienced in all aspects of litigation and international arbitration. He assists clients in resolving complex disputes arising in the insurance and reinsurance, construction and engineering and energy and power generation.

Justyn has conducted arbitrations as counsel and arbitrator under the rules of all the major arbitration institutions and under the UNCITRAL rules. The value of those arbitrations range in amounts of up to US\$850 million and have proceeded in London, Singapore, Hong Kong and throughout Asia.

Justyn is a Fellow of the Singapore Institute of Arbitrators, a Member of the Chartered Institute of Arbitrators, a Member of the Regional Panels of the Singapore and Asian International Arbitration Centres and is a Past President of the Insurance Law Association of Singapore.

Areas of Practice

Insurance and Reinsurance; Construction and Engineering; Energy and Power Generation; Labour and Employment; Arbitration and Litigation.

Recognition

- Named as one of the world's leading arbitration and insurance lawyers (Who's Who Legal Arbitration and Insurance)
- Named as a leading lawyer for Dispute Resolution (*Asia Pacific Legal 500 and Chambers*).

- Described as being 'intelligent, commercial, polished' (*Asia Pacific Legal 500*).
- Described as a 'class arbitrator' (*Asia Pacific Legal 500*).
- Won praise for 'his relaxed approach - he can analyse things in a technically proficient manner, and he understands how to solve, not just how to fight.' (*Chambers Asia*).
- Described as “a pre-eminent name and technical wizard when it comes to insurance and reinsurance work” (Chambers Asia).
- Noted as having “a stellar reputation in the insurance and reinsurance fields,” where he was “technically superb.” (*Chambers Asia*).
